## XPECTION improves productivity and sustainability

The XPECTION wireless video nozzle takes municipalities, service companies and sewer network operators to the next level. Municipalities and jetting contractors confirm:

- Saves up to 100 mins/day
- Up to \$100,000 of cost savings/truck/year
- Saves up to 7,000 gallons of water/day
- Saves up to 13 gallons of Diesel/day
- More efficient use of CCTV
