

VISIONCONTROL VC500 Portable control panel

Portable control panel VISIONCONTROL, version VC500. With this control panel you can operate the ROVION crawler inspection system as well as the AGILIOS push camera inspection system. The multi-functional, portable control panel is characterized by its low weight and ergonomic design for optimal operator convenience and allows inspections according to predefined standards*..

Tecnical data - VISIONCONTROL VC500

Display type	TFT (2-fingers multi-touch)
Display format	16:10
Display size (diagonal)	10.1"/257 mm
Display resolution	1280 x 800 px
Display brightness	1280 cd/m ²
Viewing angle (hor./vert.)	150°/150°
Interfaces	2 x USB 2.0 (type A) 1 x Ethernet (RJ45) 1 x HDMI 1 x analog Video OUT (BNC) 1 x WIFI**
Wireless standard	WIFI: IEEE802.11 b/g/n
Internal memory	128 GB
Video format/picture format	MPEG4/H.264/JPEG or PNG (selectable)
Power supply	Through coiler/cable reel
Protection class	IP55
Ambient temperature range	0°C to 40°C
Storage temperature range	-20°C to 70°C
Material	Plastic (ABS & PC)
Dimensions (WxHxD)	300 x 267 x 70 mm
Weight	Approx 1.8 kg (without spiral cable)

- Multi-functional, portable control panel
- Basis for operating software VISIONREPORT II with "WinCan Embedded Reporting" *
- User-friendly operating surface, optimized for the control of the software via innovative touch and gesture controls
- Modularly expandable software
- Standard-compliant inspections due to integrated inspection catalogs *
- USB, Ethernet and WIFI interface for the simple import and export of project and inspection data*
- Cloud connection (WinCan Web) for a location-independent, quick exchange of project and inspection data via the internet*
- Configurable text overlay function
- Robust design and daylight readable, high resolution touch-screen
- Two 2-axle-joysticks with push function for precise control of crawler and camera functions
- Operation via USB keyboard and mouse possible
- External mains adapter for the operation of the control panel at the office desk*
- Low weight and ergonomic design with integrated, foldable stand
- Compatible with ROVION and AGILIOS inspection systems

*Optional

**Availibility: country-specific
